

REFER A FRIEND FORM

How it works

If you have completed a course with us, and then recommend a friend, colleague or family member to enrol with us for a learn to dive course (PADI Scuba Diver or Open Water Diver), then we will reward that recommendation with a £10 shop voucher for you.

You can recommend as many people as you like and for every one that signs up and pays for an entry level dive course, we will give you a £10 voucher to spend on dive kit in the shop – it's that simple!

Just fill in your details and those of the person you have sent to us and as soon as they enrol and pay for their course, we will send you your voucher.
